**Winter School Scheme  
of  
Goa State Research Foundation (GSRF)**

**11 - 15 November 2024**

## ABOUT GSRF

The Goa State Research Foundation (GSRF), set up in 2022, promotes research, education, and skills across Goa. The Winter School is part of the GSRF Summer/Winter School Scheme, which supports learning initiatives aligned with the National Education Policy (NEP) 2020. GSRF works with schools and colleges to encourage curiosity and learning, offering grants and support to help students explore advanced research and new fields.

## ABOUT THE WINTER SCHOOL

"Next-Gen UI/UX: Winter School for Creatives" offers students from IXth to XIIth standard in Goa a chance to learn about UI/UX design. Through hands-on activities, participants will explore user research, interface design, and prototyping. The program includes fun projects and competitions that encourage creativity, teamwork, and practical problem-solving. The goal is to prepare students for future challenges and inspire them to pursue careers in UI/UX design.
